

HUMAN CONNECTION MATTERS NOW MORE THAN EVER

THE SOCIAL EXCELLENCE PROJECT is a team of highly experienced speakers, trainers, and facilitators. We lead engaging keynotes, retreats, conference sessions, professional development workshops, and leadership programs to help people make friends, build a network, and make a difference in the world. We have decades of experience. We proudly deliver both on-site and digital education.

KEYNOTES, TRAININGS, WORKSHOPS, CONFERENCES, RETREATS & MORE

The Social Excellence Project builds custom Keynote & Trainings for a variety of audiences based on the philosophy of [Social Excellence](#). People need belonging now more than ever. People need to build social skills now more than ever. People need ways to make friends, build lasting relationships, and network effectively now more than ever. Any group of people who would benefit from improved and enriched human communication, and are open to a highly interactive, funny, emotionally powerful program will love The Social Excellence Project.

Our programs in the past have included:

- **Orientation** and leadership training for college students
- **Friendship & Community Building** experiences for campuses
- **Opening Keynote** of major conferences to set a tone of connection and fun
- **Recruitment** and growth training for organizational members & volunteers
- **Leadership** education – since *all leadership is social*.
- **Social Skills** training for fundraisers, student leaders, and community organizers
- **Multi-Day Retreat** for college students teaching connection and how to change the world
- **Networking** training for college students, professionals, and community groups
